

Organic 7 Precious Oils

A synergistic blend of seven essential oils, Organic Rosehip Skincare's 7 Precious Oils is one of our best selling products and it is not hard to see why. People that have used the oil have noticed immediate results with the improvement of the appearance of their skin. It almost instantly hydrates and nourishes the skin and the results can be seen right before you eyes.

The Organic Rosehip 7 Precious Oils helps to hydrate the skin and improve the tone and texture whilst moisturising and revitalising. Your skin will feel softer and smoother with a healthier and more radiant look. It can be used on dry, blemished and sun damaged skin. An excellent serum for wrinkles, burns, scars, acne scars and spots.

Organic Rosehip 7 Precious Oils is made from carefully selected organic plants, flowers, herbs and essential oils which are blended together to give maximum results in improving the skins youthful appearance.

This exquisite oil is rich in Vitamins C, A, B, E and Minerals. A natural antioxidant for your skin. Our products contain 100% Organic ingredients; NO animal products, No Synthetic Chemicals or fillers.

Organic Rosehip Seed Oil is our base ingredient - It has a high content of Vitamin C in the form of Fatty Adds which contain 77% of Linoleic and Linolenic Acids. EFA's have very important functions in the regeneration of skin cells and the repair of damaged skin tissue.

DIRECTIONS: Apply to cleansed, moist skin, day and night. Place a few drops onto fingertips then massage into face or affected area until fully absorbed. Apply before and after sun exposure. Use twice daily, both morning and night.

INGREDIENTS: Organic rosehip seed oil; natural vitamin E; organic chamomile and marigold extracts; organic carrot seed oil; organic jojoba oil; organic rose oil and ylang ylang oil.
