

Organic Foaming Cleanser

Organic Foaming Cleanser is a unique formulation carefully blended with French L'Argile clay and red clay that helps draw the toxins out of the skin. Rich in organic rosehip vitamin C oil, anti oxidants, earthy minerals, herbs and the best quality of essential oils.

Experience a deep cleanse by removing all impurities from the face and neck. Helps to cleanse, purify, tone and soften the texture of the skin, leaving it feeling clear and refreshed.

This cleanser benefits all skin types and will not burn the eyes. It is perfect for teenagers that suffer from acne, breakouts or oily skin.

Directions: Apply small amount on moist skin in circular motions. Can be left on for 10 minutes acting as a mask. Then rinse off and apply a small amount of the Noni Cream to moisturise the skin.

Ingredients: Organic rosewater, organic aloe vera pulp, organic soap nut extract, herbal plant lactic acid, organic rosehip oil, organic olive oil, white clay, vegetable glycerine, organic geranium, organic rose oil, organic bergamot, organic green tea extract, xanthan gum, organic grapefruit seed extract, red clay and organic wild thyme.
