

## Organic Hand & Feet Care

Organic Rosehip Hand & Feet Care is a unique formulation carefully blended with organic herbs & organic rosehip oil. It is rich in essential vitamins & minerals to moisturise and soften your dry hands and feet. The refreshing aroma of plant oils will help to improve sleep, by massaging onto the feet before bed time.

Soothes dry and cracked hands & feet. This herbal cream may also be massaged into babies' feet to help with restlessness and to relax the body. The two main ingredients that make this cream unique are sesame oil and wild thyme oil. The sesame oil can act as both moisturiser and emollient for full-body skin.

It is rich in vitamin E and contains linoleic acids, stearic acids, and palmitic acids. Wild thyme oil is one of the most antiseptic of all essential oils. It also benefits athletes foot and has a high antioxidant rating for the skin. Both these oils assist with moisturising dry skin.

**Directions:** Massage a small amount onto moist hands and feet.

**Ingredients:** Purified water; organic rosewater; vegetable waxes; organic rosehip seed oil, organic sesame oil; organic chamomile & marigold extracts; organic peppermint oil; organic lavender oil; organic basil; organic wild thyme oil; organic grapefruit seed extract.
