

Organic Shampoo Body Bar

Organic Rosehip Shampoo & Body Bar is a delicate blend of organic herbs, flowers, rosehip seeds, essential oils and enriched with nutrients. It cleanses and moisturises the face and body, leaving you with a silky smooth skin. This 100% herbal cleansing bar is also excellent for shaving and great for washing hair. It will help to thicken and condition the hair by strengthening the roots, making it grow healthier and more manageable.

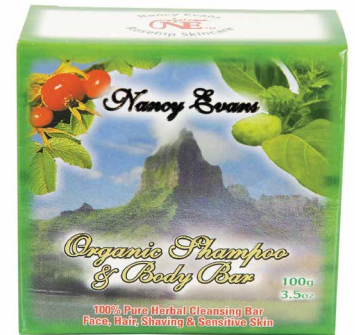

Suitable for all skin types, especially sensitive skin. Excellent for eczema, psoriasis, dandruff and itchy scalps. Allergy free; No petrochemicals; No artificial colours; No animal fats; No preservatives

Why an organic soap bar? Because organic soap matters and what we put on our skin also matters. Using chemical based soaps can lead to dry and irritated skin, especially for people with allergy skin.

Our organic soap bar contains organic soap nut for a fresh and deep clean. The combination of rosehip seed oil, coconut, vitamin E and noni fruit work to nourish and moisturize the body. The chamomile is known for its soothing antiseptic and bactericidal properties. This soap leaves you feeling fresh and clean.

Directions: Use as a cleanser for the face or as a soap for the body. To use as a shampoo, wet hair then turn soap into a lather. Rinse & repeat if desired.

Ingredients: Coconut oil; sea salt; organic rosehip oil; powder and granules; organic noni fruit extract; organic MSM (Methyl Sulfonyl Methane); organic chamomile extract; natural vitamin E; nettle; rosemary & rose petals.

SIZE: 100g
