## Organic Rosehip Underarm Spray

The Organic Rosehip Underarm Spray is a deodorant for men, women and teenagers. This spray will help to keep you fresh, without leaving a stain on your clothes. It is 100% chemical free and embodies a fresh floral aroma.

The Organic Rosehip Underarm Spray contains lavender which is an organic cold pressed essential oil that helps to combat body odour by reducing bacteria growth.

Did you know that chemical-based 'conventional deodorants' can contribute to potential health risks? These conventional deodorants may contain ingredients such as: synthetic chemicals, fragrances and aluminium. Our lymphatic nodes are situated under our arms and these toxic chemicals can block your sweat glands resulting in a build-up of bacteria in the body. This is why we have formulated an organic alternative designed to let your lymphatic nodes breathe throughout the day.

**Directions:** Use after showering or whenever needed throughout the day. May also be used in your shoes to neutralize foot odour.

**Ingredients:** Organic lavender, organic witchhazel, organic citrus seed extract, organic cloves, organic bergamot.

**NOTE - CONTAINS ALL CERTIFIED ORGANIC NATURAL INGREDIENTS,  
THIS INCLUDES  
USE OF ORGANIC CHEMICAL-FREE PRESERVATIVES**

**Size - 50mls**
